Share Tweet 11

It's safe to say that a wedding dress is one of the most important items a woman will ever purchase. It's also crucial to remember that a wedding dress isn't like a normal dress, and it certainly isn't cleaned in the same way. But what happens to the wedding dress after the big day? Give your gown the star treatment it deserves from the members of the [Association of Wedding Gown Specialists](#) who offer very special care for your very special gown!
